

WAYS YOU CAN SHARE YOUR TIME & TALENTS

Champions for the CAC of Aiken

Annual Fundraiser

Our largest fundraiser of the year is held each February. We need many volunteers to:

- Join the planning committee
- Work the day of the fundraiser (various tasks)
- Decorate/set up for the event the day before the event
- Secure/collect OR donate items for our live & silent auctions

Maintenance

We need individuals and/or groups to help with both indoor maintenance (cleaning, painting etc) and outdoor yard work (trimming, pruning, weeds, etc).

Donate items

We always need snacks, juice boxes and water bottles for the kids that come to our center. We are also always in need of office & janitorial supplies. At Christmas time we also need new toys so we can help some of our families in need (*Note: due to health regulations, we can not take used toy donations*).

AMAZON WISH LIST - go to our website and click on our Amazon wish lists to see they types of items we need or order directly from our wishlist and Amazon will deliver it to us.

WAYS YOU CAN SHARE YOUR TIME & TALENTS

Champions for the CAC of Aiken

Host a Fundraiser

We need individuals and/or groups to host their own fundraisers or drives. Ideas include: lemonade stand, cornhole tournament, yard sale, bake sale, host a party and have attendees bring an item to donate. There are many other ideas, give us a call and let us know yours.

Become a Champion

For just \$20/month or \$0.67 per day, you can become one of our Champions for Children and help provide a steady stream of income to the CAC all year long.

Multidisciplinary Team Support

Our multidisciplinary team is made up of professionals from agencies such as law enforcement, social services, mental health, the school system etc. - anyone who might be connected with the child and/or family during the investigative process. Each quarter, the CAC hosts a luncheon to thank all of our MDT members for their commitment to helping children who are victims of abuse. We need volunteers to help provide food and the lunch each quarter.
